Dear Tony & Shirley,

As the President & CEO of an International Cruise Line and with 35+ years of cruise and travel experience, I have traveled extensively and visited many special places.

The truth is nothing compares to what you and Shirley, your lovely wife, have created on the shores of spectacular Lake Como! 'Villa Matilda' offers comfortable and elegant accommodations with tasteful furnishings and amenities that made us feel totally at ease.

Moreover, the convenient Torno location offered us the opportunity to visit Como, Bellagio, Cernobbio, and all the lovely places nearby. Your restaurant recommendations were spot on!

Not only are we already planning our return trip next summer, but I have shared our wonderful experience with family & friends.

Congratulations and thank you!

Henry Yaniz
